

2024 Amended Illness Policy

As of 2/7/2024

Children in good health are permitted to come to the center. If your child develops signs of a possible illness, you will be contacted and asked to pick as soon as possible. If you are not able to leave immediately, the second person on the emergency contact list will be contacted. If your child is sent home with any of the following symptoms they are not permitted to return to care the following day or until your child is deemed noncontagious by a doctor and are expected to find alternative care

- Fever over 100.4°
 - Children need to be fever free, without medication, for 24 hours in order to return to care.
- Diarrhea- Two or more that occur close in time
- Vomiting
- Pronounced or persistent coughing
- Unexplained rash
- Any contagious illness including but not limited to: strep throat, flu, covid, chicken pox, pink eye, measles, hand, foot, & mouth etc.
